1   Adding citations

One of the shortest articles [1] is followed by a random citation I made [2]. Sometimes most references are from the web which you can equally cite [3]. Sometimes you need to cite more than one [1, 2, 3]

References

[1] Lander, L. J., and T. R. Parkin. "Counterexample to Euler's conjecture on sums of like powers" Bull. Amer. Math. Soc 72.6 (1966): 1079.

[2] I just made up my own bibliography format
